## **PARTNER ENGAGEMENT GUIDE**

The MarketCounsel Summit offers an unparalleled opportunity to engage with the country's preeminent independent investment advisors. As the capstone event of the conference season, we're proud to welcome leaders from the profession's top firms as we host this seminal forum for debate, dialogue, and conversation. At the MarketCounsel Summit, our sponsors are guests too. Not sidelined to an expo hall, they're an integral part of the community and woven into the fabric of the event.

We are sensitive about maintaining a balance among advisors, partners, and faculty. Therefore, each year we plan for most of our sponsorship opportunities to sell out and prohibit other non-advisors from attending. If you have an interest in a particular experience, place your reservation without delay. If you ever need assistance in making a reservation, don't hesitate to reach out at [rsvp@marketcounsel.com](mailto:rsvp@marketcounsel.com) and we'll get right back to you.
